Headteacher: Mrs Hayley Yendell

19th March 2020

Dear Parents and Carers,

You will be aware from the Government announcement yesterday that schools across the UK are to close from Monday for most children. However, schools will remain open for children of 'key workers', children with EHCP's and children in other vulnerable groups. We are expecting a full list to be sent to schools today, clarifying these groups and we will share with you as soon as we can.

It is vital that you inform us as soon as possible if you believe that your child falls into this group and you would like them to attend school from Monday.

Until we know the numbers of eligible families and the number of children staying with us we cannot give further information about what provision will look like. There are a number of discussions happening today at both a national and local level. As soon as further guidance is given to us in school I will update you so please continue to check your e-mails, the school website and the school Facebook page. Through these unprecedented times we will stay in contact with you through these channels.

The staff at Heath Lane will continue to do their utmost to support you and your families through these challenging times. We will be supporting home learning, for the foreseeable future, through the 'Home Learning' packs and the 'Challenge Chart' sent home.

Please email any questions or concerns to admin@heathlane.herts.sch.uk

With kind regards,

Hayley Yendell

Headteacher
