3rd May 2019

Dear Parents and Carers of children in Squirrels,

I am writing to inform you of a change of key person for your child. Previously Kirsty Jarmin was the key person for the group. Unfortunately Kirsty missed working in the baby room at her previous setting and she decided to return.

I appreciate that the group have had a number of changes of key person across the year and that this can be very unsettling. I have made the decision to move the children in Squirrels into other groups to ensure that they have a far greater consistency of key person.

We are delighted that your child will join the Robins group and Miss Hutchins will now be your child's key person. She has previously worked with your child and is really looking forward to welcoming them into the group.

I look forward to seeing you all next week.

With kind regards,

Hayley Yendell
Headteacher
