10th January 2010

Dear Parents / Carers,

We are delighted to introduce our new members of the staff team to you. They have all made a fabulous start and already feel like part of the furniture!

Grace Keegan

Grace is the key person for the Robin group. She works all day, Monday to Friday, with the Robins. She has joined us fresh from university so it full of new ideas.

Michele Lafleur

Michele is the key person for the afternoon Hedgehogs. She works every afternoon with the group, Monday to Friday, and supports in the lunch hour. We are delighted to welcome Michele back to Heath Lane-it is lovely to have a familiar face back on the team.

Lucy Hudson

Lucy provides support for a child with additional needs. She has previously worked at a setting with specialist provision so comes highly skilled. We are all learning from her already!

Sam Shore

Sam has a key role in setting up the lunchtime provision and every child who stays for lunch will meet her. She has experience of working with young children and in previous roles has promoted healthy eating.

Robert Marsden

Robert is on placement here from his college. He will be with us every Wednesday, all day, supporting a range of children including those at after school club.

We are now recruiting for a permanent key person for the Badger group but in the meantime Mrs Wright and Mrs Yendell are loving working with them!

Kind Regards

Mrs Hayley Yendell
