

Newsletter 10th June 2022

Dear Parent/Carer,

We have had a great start to the second part of the summer term! A big thanks to all who sent in photos of Jubilee events and celebrations. We have really enjoyed sharing these with the children. It really was a special weekend for some of you. This week the children have read the book 'The Queen's Hat' and taken part in activities that have supported them to identify features of London. We have a number of copies of this book so do ask a member of staff if you would like to borrow one to read at home. We have planned a 'Hot-seating' session with a very special visitor today-the Queen! Ask your children what they found out!

Outing into the Local Area

After finding out about the features of London it was lovely to take children out into their local area to identify local features of interest. We were incredibly proud of all of the children who took part in these trips; they listened carefully and were such great representatives of the school. A big thanks to all who came with us-it is always so helpful and lovely to have children's grown-ups supporting such outings.

Pride Month

June marks 'Pride month' – a time when we can reflect on and consider acceptance and equality, celebrate the LGBTQ+ community and raise awareness of discrimination and endeavour to find ways to develop an inclusive community for all.

Pride is all about being proud of who you are no matter who you love. In school we will be reading books about different family set-ups, stories that celebrate different cultures and discussing what makes us different and unique and celebrating these features.

We are delighted that we have been able to book a drag queen story teller to come and read a story at Heath Lane. Aida H Dee will be visiting Heath Lane on **Wednesday, 22nd June**. If your child does not usually attend that session you are more than welcome to bring them in at no extra cost. Please inform the office if you would like to do this so we can get an idea of numbers.

If you would like to see Aida in action please click [here](#).

End of term family picnic-Saturday July 16th 12-1.30pm

We would like to invite all of our families onto site for an end of term picnic. This will be a time to celebrate the year. You will have the chance to:

- Bring family members and friends
- Look around the environment
- Play with your child at Nursery
- Sit and relax in the garden eating snacks made by the children that week (although wise to bring your own stuff too to make it a full buffet!)

There will be further details nearer the time.

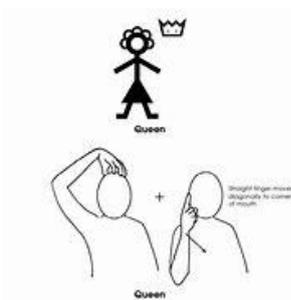

Suggested Activity for Home

This week the children learnt a lot about their local area and the landmarks of London. Ask them if they can tell you:

- ***What London Landmarks did the Queen's hat fly past in their book of the week?***
- ***What local landmarks did they see on their trip out?***

Sign of the Week

This week's sign is 'Queen'

Last Day of the Summer Term	Wednesday, 20 th July 2022
------------------------------------	---------------------------------------

We would like to wish you a fabulous weekend!
