17th May 2019

Dear Parents and Carers,

It has been another busy week at Heath Lane Nursery! Despite the highly changeable weather conditions we have been outside enjoying the fantastic grounds that we have. Thank you for ensuring that your children have suitable coats/footwear.

Reminders

Photographer Tuesday 21st May

On Tuesday a photographer will be coming in to take photos throughout the day including key group photos. There is no need for the children to wear anything special but we will try to keep them as smart as possible! Order forms to purchase the photos will follow in due course.

Hemel Gazette

Just a reminder that 'The Hemel Gazette' want to write an article on our Nursery! We now have a list of children who can be included in the photo. Please see the office staff if you would like to review your child's permissions. We will let you know when it is published and will be asking for your help to share the article to raise the school profile and put us on the map!

Ark Farm-Tuesday 4th June 2019

Thank you for your payments so far. As mentioned in the previous newsletter we would like to invite adults to come and enjoy the experience with their child. The timings are as follows:

Time	Key Group
9.30-10	Owls
10-10.30	Hedgehogs
10.30-11	Badgers/Robins
12.45-1.15	Butterflies
1.15-1.45	Foxes/Robins

There is no need for you to book or pay-we will put signing up sheets out on the parent table in the playground so that we have an idea of numbers. A donation on the day would be appreciated. Younger siblings are welcome but they are your responsibility throughout the session.

Learning this week

This week the Butterflies wrote a letter to a friend who left the key group. They then went on trip to a post box to post the letter. They were really excited about keeping in touch with him! It was lovely seeing the children out and about and we plan to do more outings into the local area to widen the children's experience.

Suggestion for an activity for home

We would love all children to have the experience of posting a letter. Ask your child to suggest who to send a letter to. It is fine for you to write the letter for them but ask them to help by telling you what message they would like to send. Collect an envelope from the parent table if this would be useful. You might want to ask the following questions:

Who would you like to write a letter to?

What would we need to do to get the letter to them?

Your child might want to send a letter or picture to their key person. We would be very excited to receive this!

Next Week

The caterpillars are now in their chrysalis-very exciting...

Have a good weekend!

With kind regards,

Hayley Yendell
