18th October 2019

Dear Parents and Carers,

Parentlite

You will by now have all received the log on information for the parent app Parentlite which allows you to be able to access and check the details we hold for you on our records. If you have not already done so, then please register as soon as possible, to ensure that our records are kept up to date with your personal details.

School Comms

We will shortly be sending you out the details for another app which will allow us to be able to take online payments for events, trips, snack monies etc.

Story Sacks

We were delighted to see so many of you taking a story sack to use. If you have not already seen the short videoclip on the school website do have a look. You will find it on the link below:

<http://www.heathlane.herts.sch.uk/parents/home-learning/>

We would love to know how you got on with them. Do let your key person know in the next catch up call or when you see them next. They can be returned once a week and the trolley will be back out next Tuesday. When you return your current bag please choose to your next one.

October Half term date

Just to remind you all that October half term is the week beginning **Monday 28th October**. If you require holiday club provision during this week please contact Karen Keene at Young Discoverers on: 07428 721586.

Forest School

The children are really enjoying Forest school sessions. They have loved working in a 'Mud Café' this week. We really would love extra adult support for these sessions. If you could give up an hour a week to support Mrs Wright please let one of us know.

Snails

The children have all been introduced to our snails this week. They have shown great care for them and have loved finding out what they eat and helping to feed them. They have started to suggest names for them-you will notice post it notes on the board behind them. Continue to add names to the board and we will vote early next week. How exciting...

Sign of the Week

This week's Makaton sign is 'To Sit.' Ask your child to show you the sign we use.

Suggested Activity for Home

You will have seen that the PTA has launched a Sponsored Autumn Trail Treasure Hunt event. It is a great opportunity to see what you can collect on a walk home from school, trip to the park or the woods. There are spare bags and forms in the office should you require. It is through fundraisers such as these that the PTA will be able to purchase such new waterproofs for Forest School which are desperately in need of replacement. Thank you all for supporting the PTA and this fundraising event.

Finally.....Can you help?

We go through tissues at an incredible rate in the Nursery. We would really appreciate a donation of a box of tissues to build up our stock so that we are prepared for the colder months. Thank you in advance for any help with this!
