24<sup>th</sup> January 2020

Dear Parents and Carers,

We have enjoyed the much drier weather this week and made the most of exploring the frost in the middle of the week! We love that the children are coming to school appropriately dressed in hats scarves and gloves. Just a reminder to write your child's name on all items where possible! We can have over 100 gloves in the school at any one point! It is far easier to return to their owner if they are named.

### **Busy Fingers Packs**

Thank you so much to all of you who sent photos in of your children using the busy fingers resources. The children have given us great feedback on how much they enjoyed their 'homework!' We have collected most of them back in (please send yours back ASAP if you have not sent it back yet) and will ensure that they are ready to go back out to all children next week.

### **Cloakroom**

We are delighted that an order for fabric bags have arrived in the school sooner than expected. We are going to use the bags in the cloakroom for every child to keep their spare clothes in. Using the same fabric bags for each child should ensure that bags are easy to access for staff and more room is created by removing individual rucksacks and bags that can be a little bulky. This should also ensure that children can hang their coats up more easily.

**Next week we would really appreciate your help - please help us to help your child by transferring your children's spare clothes into these bags.**

### **PTA Coffee Morning**

Our lovely PTA (Parent Teacher Association) will be holding a coffee morning at 8.45am on Friday 31<sup>st</sup> January. A lovely opportunity for parents to come along, meet the team and help shape new fundraising ideas for the Spring/Summer Term. The PTA do a very valuable job in raising funds for the purchase of items for the Nursery for the benefit of all the children. They purchased the new waterproofs last term which are used weekly for every Forest School session and any other wet activities.

### **Suggested Activity for Home**

We are in the process of designing a new school logo. We would love your ideas / feedback on what the logo should include / represent. We would love you to discuss with your child what they think is the best part of the school or the best thing about school as we would love to use your ideas in the design. We will be putting an 'ideas sheet' in your child's book bag-please send back next week.

With kind regards,

Hayley Yendell
