6th December 2019

Dear Parents and Carers,

This has been a busy week with the NHS staff moving back into the building. Thank you for your patience with the parking on our turning circle-there should be fewer contractors in the building next week so parking should resume to normal. Just a reminder to not park on the disabled bays unless you are a blue badge holder. These spaces are required by some of our families. Thank you for your support with this.

Baubles!

As you know we are taking part in the St John's Christmas tree festival and need to create decorations to put on the tree on Wednesday. We have purchased some plain, wooden baubles that need decorating! We will put a table in our playground on Monday so that you can decorate a bauble with your child at the end of each session. We will open the gates slightly earlier (11.15 / 3.15) if you wish to come and go wild with glitter!

Parent Board

All keyworkers share information on at least one learning experience that their key group have had during the day. This is written up on the parent board in the playground. We appreciate that some of you drop off at the start of the session or to breakfast club. We will leave the information on the parent board until 9am the following day so that you can check it at drop off time. We hope that this will support further with information sharing.

Change of Clothes Slips

We have taken on board some parent feedback and have created 'Change of Clothes Slips.' We hope that these slips will give further information when your child is changed. Please do continue to give us feedback as we will always endeavour to ensure that you are as informed as possible on all aspects of school life.

PTA Christmas Movie Event

A big thank you to the members of the PTA for making some fabulous hampers with the donations you have given. They will be raffling these off at the Family Xmas Movie event on Saturday 14th December.

Remember to bring your change with you!

Snow procedures

"I'm dreaming of a White Christmas....." not that it is looking likely. However, we will be publishing our snow procedure next week so please keep a look out.

Christmas Activities Next Week

Wednesday 11th December – Decorating the Tree at St John's Church. The children will be walking down to the church at different times during the day and in their groups. Please check with your child's keyworker if you're available to help and they will confirm the time.

Thursday 12th December – Christmas Nativity Service at St John's Church. All families are welcome to join us at the Nursery by 10am when we will be setting off on foot to the church. Please let your keyworker know if you would rather your child stayed at the Nursery. The Afternoon children are welcome to join us for the whole day and bring in a packed lunch, please let their keyworker know.

With kind regards,

Hayley Yendell
