Dear Parents,

We would like to introduce you to School Gateway– a parent engagement app that will allow you to pay for school events, wraparound care and for us to communicate with you at anytime from anywhere.

All school related payments and communication will go through School Gateway. To stay up to date with what's going on at school make sure you download the app for free. Just search *School Gateway* in your App store and download.

Your login details will be automatically generated using the contact information we already hold for you, so please make sure the details are up to date. You can check and change these details by sending an email to admin@heathlane.herts.sch.uk.

If you have any questions or would like some more information, please see the School Gateway site here: <https://schoolgateway.co.uk/>.

You can also login to the online version of School Gateway via this site if you do not have a smart phone, although we do recommend using the app if possible as it makes it far easier to get hold of parents when we need to.

If you need any support or assistance, please contact the office.

Kind regards,

Sally-Anne Bates/Carolyn Deane
Administration Team
