### Our Remote Learning Offer

You will be aware from news updates that there have been school and local lockdowns both nearby and further afield. We have planned for this eventuality to ensure that there will be continued learning and support for you and your child/children.

**We must stress that we have no knowledge of an imminent local lockdown. We receive information through the media at the same time you do.**

#### As soon as a lockdown is announced:

- We have prepared packs ready to hand out immediately or make available for collection.
- We will keep the Heath Lane Book Shed restocked (outside the Nursery) for you to freely access to replenish reading materials.

### Daily Remote Learning

We have prepared a menu of remote activities that we hope will support your child to access learning from home. There will be no obligation to join every activity but it would be great to see your child engaged in a range of these as it will ensure that they are continuing to develop and consolidate skills. We will send weekly links to the zoom sessions and will record these so you can access at a later point.
