Dear Parents and Carers,

Well what a busy year this has been! This week we wave off over 70 children to their new school. Whilst we are sad to see them go we know that they will be well prepared for this next step in their education. We are delighted that some children will be staying with us and will be able to help the new children arriving in September.

Staff News

The staff here do a fabulous job in making sure that the children always have rich, exciting learning experiences. They go above and beyond in their level of care for you and your children. I would like to personally thank each and every one of them for the efforts they make and for making me feel so welcome since I started in April.

It is with great sadness that we are saying goodbye to some of our staff team. They will be leaving due to their contracts ending. Each and every one of them has contributed enormously to making Heath Lane a great place for children and families.

Natalie Auld

Natalie has worked at the school since 2015. She has predominantly worked on a 1:1 basis with children but all children (and staff!) have benefitted from her amazingly positive outlook and calm approach. She has shared her expertise with other staff members and we have all thoroughly enjoyed working with her.

Karen Hanson

Karen has worked at the school since September. She has worked 1:1 with children and is such an incredibly hard working member of staff. Not only does she work hard in sessions she works hard behind the scenes making sure that the learning environment is safe and clean. We thank her for this dedication to the school.

Michele Lafleur

Michele has worked at the school since January 2018. She always shows such great level of care for both the children and their families. She is always cheerful and so warm children cannot help but gravitate towards her! She has such a good sense of humour and is such fun to work with. We will miss her infectious laugh and positive approach.

Stephanie Wheatley

Stephanie has worked at the school since September 2018. In that time she has been incredibly flexible! She has worked with all of the children in all their key groups depending on where she was needed. She has always been willing to cover and step in for staff to ensure that the children had a familiar face. We have really appreciated all her hard work.

Good Luck!

A big 'Good Luck' to Miss Orton who is getting married over the summer. We are all really excited for her and want to wish her and her future husband an amazing day!

Holiday Club

We are excited that so many children are going to attend our holiday club over the four weeks that it is open. If you are looking for a space or need to contact the club over the summer break please use the following details:

Finally...

We finish at our usual time of 3.30pm tomorrow. If you are collecting your child early on Friday due to siblings finishing do let your child's keyworker know so that we can get them ready.

With kind regards,

Hayley Yendell
