

## SCHOOL NEWS

This week we have been amazed to see our caterpillars turn into chrysalis's attaching themselves to the top of the pot! We also have some new resources in the Zones of Regulation including a story called 'The Colour Monster', which describes a range of different feelings, along with 6 soft monster toys. We also have tools cards with strategies to help the children regulate when they experience strong feelings.

## MESSAGE FROM FEDERATION LEADERS - TRANSITION TO SCHOOL

We have spoken to a number of you since the recent allocation of school places. For those of you with children moving onto primary school in September we are creating a video presentation which we hope will reassure you. We will share information about the process, will share how we will support this process as a school and offer top tips about how you can support at home. Watch out for the video link next week!

## FEDERATION IMPROVEMENT PRIORITY

Our Federation Improvement Priority (FIP) this term is:

"Everyone a leader!"

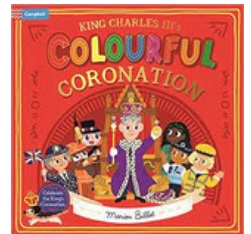

*Every Parent a Leader!*

We are so excited that we will be witnessing such an amazing historical event this weekend. The coronation is such an important event. We will be learning about the coronation, in an age-appropriate way, over the next few weeks.

*How you can help*

It would be great if your children can do any of the following over the weekend:

- watch a little bit of any of the televised event with your child.
- look out for signs of the coronation in the local area (bunting/posters/signs etc).
- Send in photos if you attend any events!

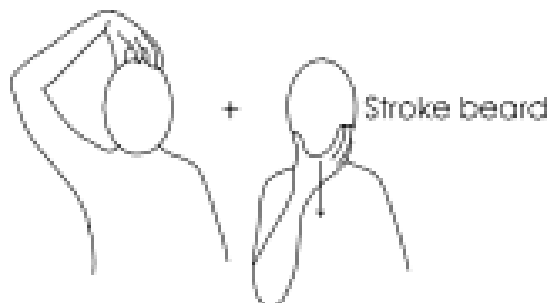

## SIGN OF THE WEEK

At the Nursery we teach all children to sign. This supports communication and ensures the communication of all children is valued.

This week's sign is 'king'

Ask any staff member to show you if you are unsure.

## SUGGESTED ACTIVITY FOR HOME

For the weekend we have created a 'Coronation Scavenger Hunt' so that your child/children can look for signs of the coronation whilst out and about and on the television! It is attached to this email and paper copies will be available at pick up time.

Let us know how you get on!

## THE GREAT BRITISH SPRING CLEAN

We were delighted with the Butterflies group last week! They made great efforts to clean up their local communities using litter pickers! We have some fabulous photos that we will share as the project progresses! This week is the turn of the Badgers group.
